We know bakery items can be fragile, and you can't afford to have sales crumble along with your product. That's why Placon's Dimensions line of bakery containers keep your baked goods looking their best while on the go.

Features of Dimensions Bakery

- Crystal-clear EcoStar® recycled PET with up to 100% post-consumer recycled content provides superior clarity through top and sides of packaging to promote impulse purchases.
- Recessed flat lids keep the containers nestled safely together when stacked.
- Tight perimeter snap keeps product secure from store to home.
- Easy-open/easy-close PET containers ensure maximum shelf life and product freshness.

Hinged Bakery Container – Angled Cavity

- Angled back wall supports and prominently displays eye-catching bakery items from brownies and cookies to rice crispy treats and bars.
- Ridges on the bottom of the package keeps product in place preventing sliding during transport.

10-count Cookie Tray

- Ten separate slots hold cookies securely upright protecting any decoration during shipping and handling.
- Low Dome Lid option holds ten 2½" frosted cookies in place.
- High Dome Lid option holds ten 3" frosted cookies in place

Hinged Bakery Container – Open Cavity, Low & High Dome Lid

- Open cavity allows bulk packaging and excellent presentation for items such as cookies, donut holes, petit fours and mini cinnamon rolls.
- Smooth, unobstructed lid surface is perfect for engraving logos or labeling.
- Designed for easy stacking and strength.

4-count Muffin Container

- Fits four standard sized muffins in individual cavities.
- Center support lid design prevents muffins from being crushed or shifting during shipping or while stacked in a display.
- Smooth area on front of container is perfect for a security label.

6-count Muffin Container

- Fits six standard sized muffins in individual cavities.
- Two center supports keep muffins securely in place.
- Smooth area on the front and sides of package provides versatile labeling options.

12-count Mini Muffin Container

- Fits 12 mini muffins in individual cavities with maximum space utilization.
- Center support protects muffins while providing an attractive arrangement.
- Smooth area on the front and sides of package provides versatile labeling options allowing muffins to be displayed front or side facing.

ecostar
recycle | replastic | results

Dimensions is just one product in Placon's food packaging line containing EcoStar® food-grade recycled PET with up to 100% post-consumer recycled content.

PLACON IS YOUR SOLUTION FOR FOOD PACKAGING.

For virtually any retail food environment—supermarkets, delis, quick marts, restaurants, cafeterias, food carts and beyond—Placon provides thermoform packaging products that deliver superior performance. Quality designs, secure seals and exceptional clarity all play a role in our industry-leading containers. Polypropylene and PET options mean our packaging can accommodate virtually any food product, use and environment.

And, our EcoStar® food-grade recycled PET (with up to 100% post-consumer recycled content) allows you to market your products while showing consumers your commitment to sustainability. With your help, Placon is turning over 1 billion used bottles and thermoforms a year into environmentally-friendly, recyclable materials.
